

“SHINE BRIGHT MINISTRY”

BECAUSE WE CARE

CHURCH OF CHRIST

We know that there are special people out there who are caring for their own **children who have special needs.**

We also know that you rarely have

TIME FOR YOURSELF!

We are offering a 3 hour Friday night **RESPIRE** once per month to families with special needs children.

We are a small family-loving congregation wishing to help where we can!

We intend to love your children, teach them from God’s word, and make sure they have a positive experience.

We cannot accommodate all special needs. Potty training is a must. All of your children ages 3 through 12 are included and welcome.

If you have a special needs child and are interested, call (530) 677-4502, then mention the SHINE BRIGHT MINISTRY as you begin.

We will arrange a time to interview each other. You need to know us and we would love to know you and your children.

THERE IS ABSOLUTELY NO COST TO YOU!
